

SIMPLIFYING & SECURING YOUR LAW FIRM WITH THE RIGHT DOCUMENT SOLUTION.

SIMPLIFYING & SECURING

Simplification is critical to finding what you need when you need it. Partnering with a knowledgeable and reputable legal partner like IVIONICS can help simplify document management while ensuring your data is secure. Our team can achieve so much for your law firm by:

- ✓ **Giving you the peace of mind of knowing you have the proper security to protect your data-sensitive information.**
- ✓ **Saving time & money:**
 - **Figuring out how to maximize your document management system**
 - **Finding ways to store, backup & recover**
- ✓ **Reassurance**

COLLABORATE EFFECTIVELY

Having a well-run law firm is detrimental to the satisfaction of your clients and staff. An efficient document management system will:

- ✓ **Reduce time spent searching for files & having to re-create lost files**
- ✓ **Increase workflow efficiencies by expanding communication with clients and staff**
- ✓ **Provide a user-friendly interface that simplifies daunting tasks**

WHY IVIONICS?

IVIONICS has transformed the daily operations of law firms, corporate legal departments, and regulatory bodies for over 36 years through technology. Meeting client and operational demands, IVIONICS has assisted law firms in increasing their efficiency to achieve success. Their expertise allows technology systems to grow with the law firm rather than against it. We provide honest and reliable consulting and implementation services. That's why our clients consider us a trusted legal IT partner.

A DOCUMENT MANAGEMENT PARTNER

Choosing an all-in-one document management solution that meets your law firm's needs is crucial. Some products on the market need to capture the level of security required to protect file information. With years of real-world experience and detailed knowledge of legal document management systems, our team is an invaluable resource for your law firm. Discover IVIONICS today and get the information you can trust.
